

Soles4Souls Shoes

We are excited to say that we can go ahead with collection of shoes for Soles4Souls again this year. We have been in contact with a new individual in the cities and they are a go for collecting the shoes again.

So here's the scoop:

- **Please make sure all shoes are put together in pairs.** If they have laces you can tie the laces together or use rubber bands to put the pairs together.
- If you have single shoes, please keep them separate and they will take single shoes, but we need to have a separate box for them.
- When churches are delivering them to Zion, please make sure all shoes are in cardboard boxes. **We cannot use any garbage bags;** they tend to tear and are not easy to transport or pack. If your church needs boxes, please contact Ken Froelich. **Make sure to write the number of shoes on the top of each box so it is visible.**
- The final collection of the shoes will be at the end of August or September. This will depend on the availability of the box truck we use.

Each church is responsible for boxing and storing their shoes until the date of collection.

Contact Ken (715-577-5423) or Shirley (715-225-9591) Froelich with questions.
