## **General CFMC Info –**

The Chippewa Falls Mission Coalition started in August 2011 with six local churches. Today our numbers include 22 local churches of various denominations and 47 local non-profit agencies and community contacts. Our CFMC email list has 180+ email addresses, which is why we always “blind copy” everyone when we send out emails.

There are no monetary costs to be part of the CFMC, just a sincere desire to work together to Love God, Love People and Make a Difference in His Name! We actually have no money, we are totally volunteer-based.

The CFMC is comprised mostly of lay members from the Social Ministry Teams of the CFMC churches, as well as some pastors. There are also reps from the various non-profit agencies/community contacts that attend meetings and stay in touch to keep the CFMC informed of their needs and how we could help.

Here is the list of churches and non-profits that have shown an interest in the CFMC and have participated in various degrees ...

### **How We Connect**

We are currently meeting once every other month (even months), normally on the first Monday of the month at various locations. Our meetings start at 5:00 pm and end promptly at or before 6:00 pm.

At our meetings we always focus on what we have in common, which is our belief in God and the lives He expects us to live, guided by the Holy Spirit. We never dwell on what separates us.

Our meetings start with prayer for our mission, as well as any individual prayer requests and ends with all of us reciting the Our Father/Lord's Prayer.

We also connect via emails, CFMC Website and CFMC Facebook page. (A Big "Thank You" to Mark Birrittella and Tiffany Wogahn for monitoring and updating our CFMC website and Facebook page as needed.)

Our goal is to work together on local and global mission outreach, often helping each other with our individual mission projects. We try to stay pro-active in our community, reaching out and asking where help is required for those in need.

### **We're About More Than Just Mission Outreach**

The CFMC is about more than helping people in our various outreach missions, we also strive to create relationships with the people we serve. Often, we are able to share our faith stories, as well as listen to theirs. We also offer prayers as requested by the people we meet and share those prayer requests with everyone in the CFMC to include in their daily prayers.

Established in January 2016 as a mission of the Chippewa Falls Mission Coalition, Hope Village/Tiny Homes provide temporary housing for individuals experiencing homelessness. This

initiative, led by Mike Cohoon, Director of Hope Village, relies on a dedicated core of volunteers and a Board of Directors.

Originally, Tiny Homes were placed at various churches throughout Chippewa Falls. Since December 2024, Hope Village has had a permanent location at **1825 Kennedy Rd, Chippewa Falls, WI.**

## Crystal's Hope Village Journey – A Testimonial

Crystal was just nine years old when the abuse in her life began, bringing years of hurt, sadness, and suffering. The trauma led her down a dark path, and for many years, she turned to drugs to escape the pain. She lost her family, survived a boyfriend who attempted to kill her, and was eventually left with nowhere to go. Alone and desperate, she ended up sleeping in her car.

Crystal knew she was in trouble and needed help. She found a caseworker who provided her with a stack of resources, and she began making calls. That search led her to Hope Village—Tiny Housing Alternatives, Inc.

She connected with our Hope Village Intake Coordinator, and was placed on the waitlist for a Tiny House. While waiting for an opening, arrangements were made for her to stay in a hotel.

Now, four months after moving into Hope Village, Crystal reflects on her journey:

*"It was just the push I needed," she says. "When I first moved into the Tiny House, I got a job immediately, started rebuilding my relationship with my daughter, and now I am so happy."*

She describes Hope Village as a place of kindness and support:

*"Everyone here is terrific; they are so easy to talk to. I've made many friends and received so much support. Now, I feel safe and comfortable."*

Crystal shares her story in the hope that it will inspire others.

*"If my story helps just one person, it's worth it. I want others to know there is hope, and God answers prayers!"*

Her goals are clear: she's saving money to afford an apartment, working to get her license back, and planning to buy a car. With determination and support, she's building a brighter future.

- Todays Laundry Services helped tremendously. I have been caring for my mother these last 2 months. She became ill about 6 months ago. I’ve had to cut my hours at work. Resulting in financial hardship. I’ve been significantly stressed about food, gas, laundry rent. Having help with my laundry this week alleviated some of the stress. Thank you & God Bless. Donna
- God Bless this wonderful program and the beautiful people that help run it. Thank You! Love, Jen A token of love
- “lighten your ‘load” has helped me as a single mom of two children (boys) be able to manage doing laundry even more without breaking the bank. This program ensures that my kids & myself have nice clean clothes without any kind of judgment of how clean the clothes are. I am so grateful for being informed about the program.
- Lighten your load helps me put almost \$20 dollars that would normally go to the cost of doing laundry go towards something else needed during the month like groceries or hygiene items. Very friendly people/church that hosts this event. Very much appreciated. Thank – you.

**\* “Lather With Love” Soap Mission (February 2025)**

**-- Tom Drehmel**

This was the first outreach mission we did when the CFMC first started in 2011. It has become an annual mission for the CFMC.

Back in 2011 we decided to be pro-active and ask the food pantries what they needed. They told us there was a need for laundry detergent and diapers. We continue to gather

the soap items, but have since dropped the diapers portion, as they became available from other sources.

This year we collected 2,698 soap/health care items that were evenly distributed to the following local food pantries ... First Presbyterian ... English Lutheran of Bateman ... Valley Vineyard ... St. Francesca Resource Center ... Agnes' Table/Legacy Center ... Chippewa Valley High School ... and LE Phillips CDC Chippewa Outreach Office.
